Principal's Report

Welcome back for Term 4. It was great to see the students return last week.

This term teachers will continue to deliver high quality teaching and learning opportunities for our students. This is our core business and teachers get a real 'buzz' when they witness the progress students make with their learning. The teachers look forward to reporting on student progress later this term.

COVID Procedures

This term our COVID procedures continue for students, staff and visitors to the school. We ask for your continued cooperation in abiding by these when visiting the school.

Life Education Van

Tomorrow all students will visit the Life Education Van and meet 'Healthy Harold'. These sessions align to the content of the Personal Development, Health and Physical Education syllabus. The school is covering the cost for all the students to attend.

School photos

Today school photos were taken. We look forward to the day when these are returned.

Kinder transition

Mrs Strickland has been visiting the pre-school to meet our Kinder students for 2021. She is enjoying getting to know these children and we look forward to welcoming our 2021 Kinders to 'big school' later in the term.

Year 6 to 7 High School Transition

The high schools are currently planning their transition sessions for this term. Once we have confirmation of the dates and events notes will be sent home.

Attendance

At Tingha Public School we are committed to positively influencing every student's life. Regular attendance at school and displaying the school's Positive Behaviour for Learning values (Proud, Strong, Safe and Respectful) will allow students to make educational gains and contribute to our 'successful school culture'. Please be aware that attendance is monitored daily and the school requires a legitimate reason for your child/children's absence. Please contact the school or reply to the text if your child is away.

School Self-Evaluation

Parents and caregivers play a very important role in the education of their children. In the coming weeks I will be asking for school community feedback in relation to as part of our school's self-evaluation processes. This will assist in the planning for next year. Please look out for the flyer that will come home shortly.

I look forward to another great fortnight!

Melinda Partridge
Principal

Transition to Kindergarten

Visits to 'big school' for our 2021 Kindergarten students have been planned for later in the term. If you are planning to enrol your child at Tingha Public for 2021, please contact the school and provide your details so you can take advantage of this valuable transition opportunity.

Headlice

With the warmer weather fast approaching, we would like to take the opportunity to remind you that headlice will be more active. Please check your child/rens hair on a regular basis.

SPOTLIGHT ON

K-3

The Pear in the Pear Tree by Pamela Allen

The students from K/1 who attended school on the first day of Term 4 created these pictures and stories from “The Pear in the Pear Tree” by Pamela Allen.

"Look Jane" said John, "There is a pear up in the long, long tree. It is a juicy pear!"
Isabel

School Photos

School Photos were taken today. If you missed out on ordering your child's photos and would like to do so, please contact MSP Photography on 0267 723 519 to arrange payment. We have been advised phone orders and payment will only be available for the next 2 days due to photos being this late in the year.
