Principal's Report

Welcome back for 2020. The students have already shown they are 'Totally Proud and Strong' learners. Kindergarten has transitioned well into the routines of 'big' school and is off to a flying start!

CLASSES

At present our classes are;

Kindergarten to Year 3 with Mrs Pearce, Mrs Strickland and Mrs Tom. Mrs McLachlan and Michael Boota will also be supporting this group of students. For literacy and numeracy learning these students are split into three groups. This allows students to have learning targeted at their level.

In 4/5/6, Mrs Boney and Mrs McIlwain will drive the learning with Dawn Pottie, Dawn McElhinney and Preston providing additional support in the classroom.

SLEEP

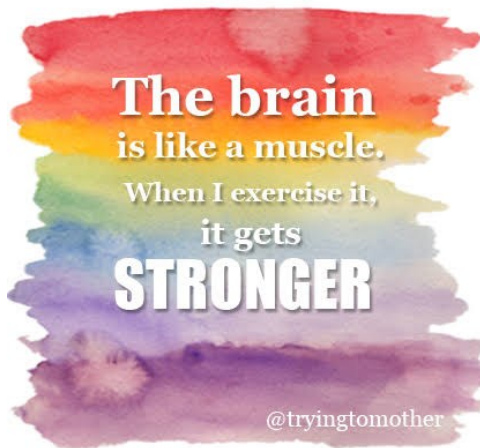

As the students return after the holidays it is really important there are routines at home to assist the students to learn the best they can at school. Students have been talking about staying up very late playing computer games and watching movies. Research shows children of primary school age need at least 10 hours of sleep each night. It would be appreciated if you could support your child and their learning by ensuring they have this amount of sleep each night.

This term is shaping up to be a busy one for us. A number of enjoyable activities have already been planned. This includes sporting opportunities, Inverell Show visit, crazy hair and spider day, Easter Hat Parade and Harmony Day.

Please remember our school has an open door policy. If you have any questions or concerns please do not hesitate to contact the school or drop in for a yarn.

As always I look forward to working with you for another wonderful year at Tingha Public School.

Principal

SPOTLIGHT ON WEEK 1

What a great start to the school year we have had. Students have picked up where they left off and eagerly resumed the task of learning.
