Principal's Report

Since the start of the year I have enjoyed the opportunity to visit all the classes, witnessing quality learning experiences and engaged students. We are very lucky at Tingha Public School to have teachers who are committed to providing our students with a quality education whilst supporting their wellbeing needs.

PBL and Learner Qualities

Positive Behaviour for Learning linked to our learner qualities will continue to be implemented in 2020. This is a whole school system that supports student's wellbeing and academic achievement. Tingha Public School encourages its students to always be "Totally Proud and Strong in a Safe and Respectful way. Every fortnight students will be explicitly taught what our core values look like, sound like and feels like in the school setting. When your child/ren returns home at the end of the school day you can reinforce these qualities by asking them how they showed they were a proud, strong, safe or respectful learner.

Homework

All class teachers have been supplying their students with weekly homework. This is being sent home on a Monday to be returned the following Friday. Set homework activities complement learning that is occurring in the classroom. If you have any questions regarding homework please contact your child's classroom teacher.

Zone Swimming Carnival

This Friday Samantha will participate in the Zone Swimming Carnival in Inverell. We are sure she will represent herself and school with pride. Good luck Samantha.

Year 6 Leaders Badge Ceremony

Our leader's induction assembly will be held this Thursday, 20th February at 1.00pm in the school hall. Parents of our Year 6 students have already received their invitation. All parents, caregivers and family members are welcome to attend this very important day for our leaders and their families.

Attendance

Our school focuses on student attendance. It has been proven that regular school attendance has a positive impact on student achievement. It is for this reason all students are encouraged to attend every day the school is operational. Students that attend a full week are recognised as are those who attend 25 days in a row. Next week, I look forward to celebrating with those students who have attended every day this year.

Aboriginal Education Officer Network Day

On Wednesday 4th March we will be hosting an Aboriginal Education Officer (AEO) Network Day. This is an opportunity for Principals and AEO's, from across the region, to visit our school and learn about how we are engaging with families and community to best support the educational needs of our students. I see this as a chance to showcase the wonderful experiences we provide to our students on a regular basis.

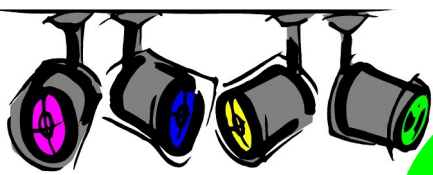

Inverell Show

Students have been invited to attend the Inverell Show next Friday. Permission notes will be sent home in the coming days.

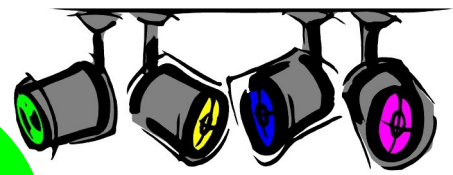

I look forward to a great fortnight at Tingha Public School.

Small Schools Swimming Carnival

2020

Last Tuesday 11th February the whole school travelled to the Inverell Pool for our annual Small Schools Swimming Carnival. Our older students competed against students from Gum Flat and Gilgai. Our younger students enjoyed cheering on our swimmers and participating in water play. A great day was had by all. Congratulations to Samantha for making it to the Zone Swimming Carnival to be held this Friday 21st February.
