Principal's Report

POSITIVE SCHOOL CULTURE

At Tingha Public School we are committed to providing an education for our students whilst supporting their social and emotional needs. We constantly reinforce and model for the students the qualities required to be responsible school and community minded citizens. Included within this is engaging in all learning tasks, speaking respectfully and encouraging other students to be 'Totally Proud and Strong' with their learning and of their achievements. When students display these characteristics it leads to a positive school culture that values education and learning.

SCHOOL SELF EVALUATION

Parents and caregivers play a very important role in the education of their children. I am asking for your thoughts and feedback as part of the school self-evaluation process. Attached to the newsletter is a parent satisfaction survey. It would be appreciated if you could take the time to complete this and return to school as soon as possible. All feedback is valued.

QUESTACON

This Thursday, we look forward to hosting Questacon Science Circus. This is a major outreach program delivered by the National Science and Technology Centre based in Canberra. The Questacon team will present a lively and energetic show for all students, using everyday materials and props. I am sure all students will enjoy this visit.

REMEMBRANCE DAY

Next Monday, the 11th November, our students will participate in the town's Remembrance Day Service at the Cenotaph, located at the Sport and Recreation ground. A permission note will come home this week. Parents and caregivers are most welcome to attend.

TIN FESTIVAL

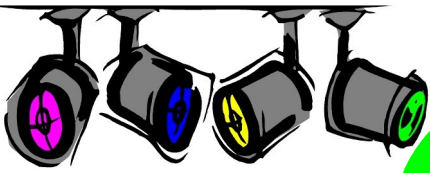

The Tingha Tin Festival will be celebrated next weekend, 15th and 16th November. This year, our students will enter sculptures they have created at school. These will be on display at the official opening on Friday night at the Sport and Recreation Club. The school will also have a stall that will be selling lamingtons. It would be fabulous to see the school community support this weekend which recognises the history of tin mining in Tingha.

I look forward to another great fortnight at Tingha Public School.

Melinda Partridge
Principal

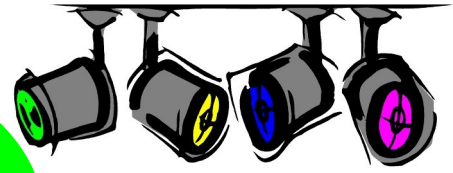

Learn to swim program

The Learn to Swim program will be taking place in weeks 7 & 8 this term. Permission notes and envelopes were sent out at the beginning of this term. As this is a compulsory component of the curriculum it is important that students return the permission envelope and pool entry money as soon as possible. All students will be travelling in to the pool and home each day. If your child is to be picked up from the pool please ensure you are there no later than 1.30pm and sign them out with Mrs McIlwain. Students who are not picked up by the time the bus leaves the pool will return to the school as normal. Payment can be made by either full payment of \$20 for the 10 days or \$2 per day.

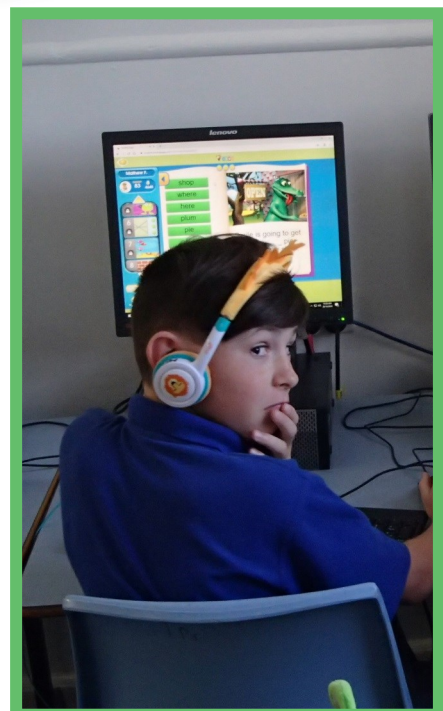

SPOTLIGHT ON

3/4/5

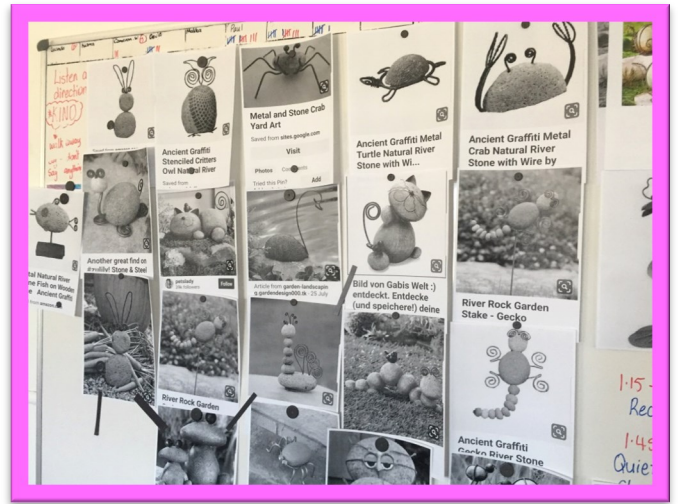

Year 3/4/5 engaged in their literacy rotations

3/4/5
participating in
Netball Skills
with Rowie

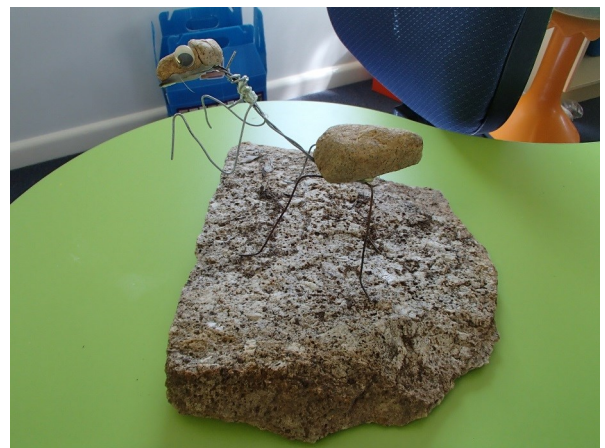

3/4/5 making rock sculptures for the Tingha Tin Festival. A big thank you to Dawnie for the rocks.

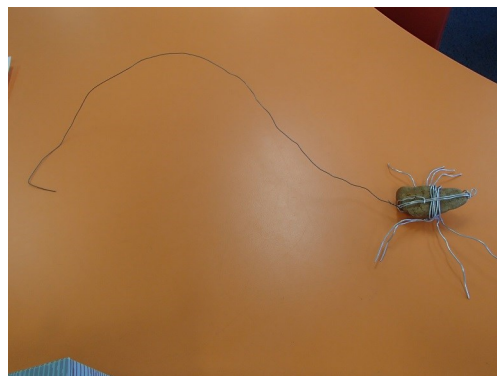

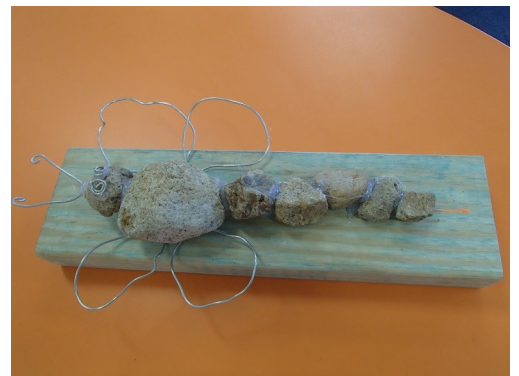

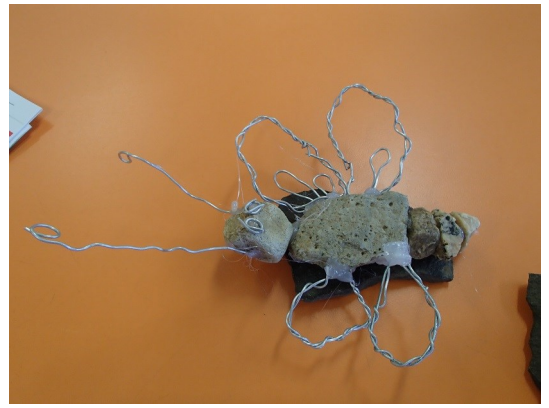

Tin Festival Sculptures

Our students were asked by the Tin Festival committee to construct some sculptures to be on display at the Tin Festival on the 16th November. With many options to choose from we decided to go with rocks and wire. As you can see we have some very talented students who have put their imagination to work to design some wonderful items.

CANTEEN NEWS

The Canteen will be operating this Friday.
A reminder there is NO booking up at the
Canteen.
