## Totally Proud & Strong

Week 4 Term 3  
10th August 2020

Every minute of every day counts

## Visitors to the school

All visitors to the school must present to the front office and follow the protocols displayed. This is for the wellbeing of all.

## Calendar of Upcoming Events

- 20/8 - Armjaun Hearing and Dental clinic
- 9/9 - Year 6 to 7 half day high school transition
- 10/9 - Armajun Hearing and Dental Clinic
- 23/9 - Jump Rope for Heart and Footy Colours Day

Earlier in the year the school received a donation of cereal. All students had an opportunity to take home boxes of cereal last week. The students are very appreciative of the kindness shown to them.

## Principal's Report

### **Education Week**

Last week we celebrated Education Week. The theme was 'Learning together' and it was fabulous to recognise the achievement of students at our fortnightly assembly on Friday. As part of this assembly I was honoured to present our Sapphire Community of Schools Education Week awards. The worthy recipient of these were Jaymie Wilson- Jacobsen (student) and Michael Boota (member of the school community). These awards recognised the outstanding achievements of these individuals to Tingha Public School. I was very humbled to be presented with our staff award. I love working with such a fabulous and supportive school community.

### **Attendance**

Last week was our best week of attendance for the term. Attending school every day is extremely important for academic achievement and social interaction. Our new "25'ers" will be finalised at the end of next week. I look forward to celebrating with these students.

### **Self-awareness and self- management of behaviour**

Our focus for this term is developing the students to abilities to recognise how emotions can affect their bodies. Students are being exposed to explicit lessons and engaging in activities to enhance their understanding. The lessons are aimed at building a self-awareness of reactions to situations and strategies to self-manage these reactions. As the term progresses I look forward to seeing the students applying this new understanding and knowledge.

As always I look forward to another wonderful fortnight at Tingha Public School.

Melinda Partridge  
Principal

### **Illness**

As directed by the Department of Education, if your child is unwell please keep them home and notify the school. If your child has had a Covid test please notify the school and keep the child isolated until you have received the results. This is for the well being of both staff and students. Your cooperation in this matter would be greatly appreciated.

### **Transition to Kindergarten**

Unfortunately, due to the current advice from the Department of Education, the start of our Kindergarten transition program has had to be delayed. If you are planning to enrol your child at Tingha Public for 2021, please contact the school and provide your details. Once we are advised we can proceed with the Kindergarten transition program we will contact you and provide further details.

Tingha Preschool visiting our  
Yarning Circle.

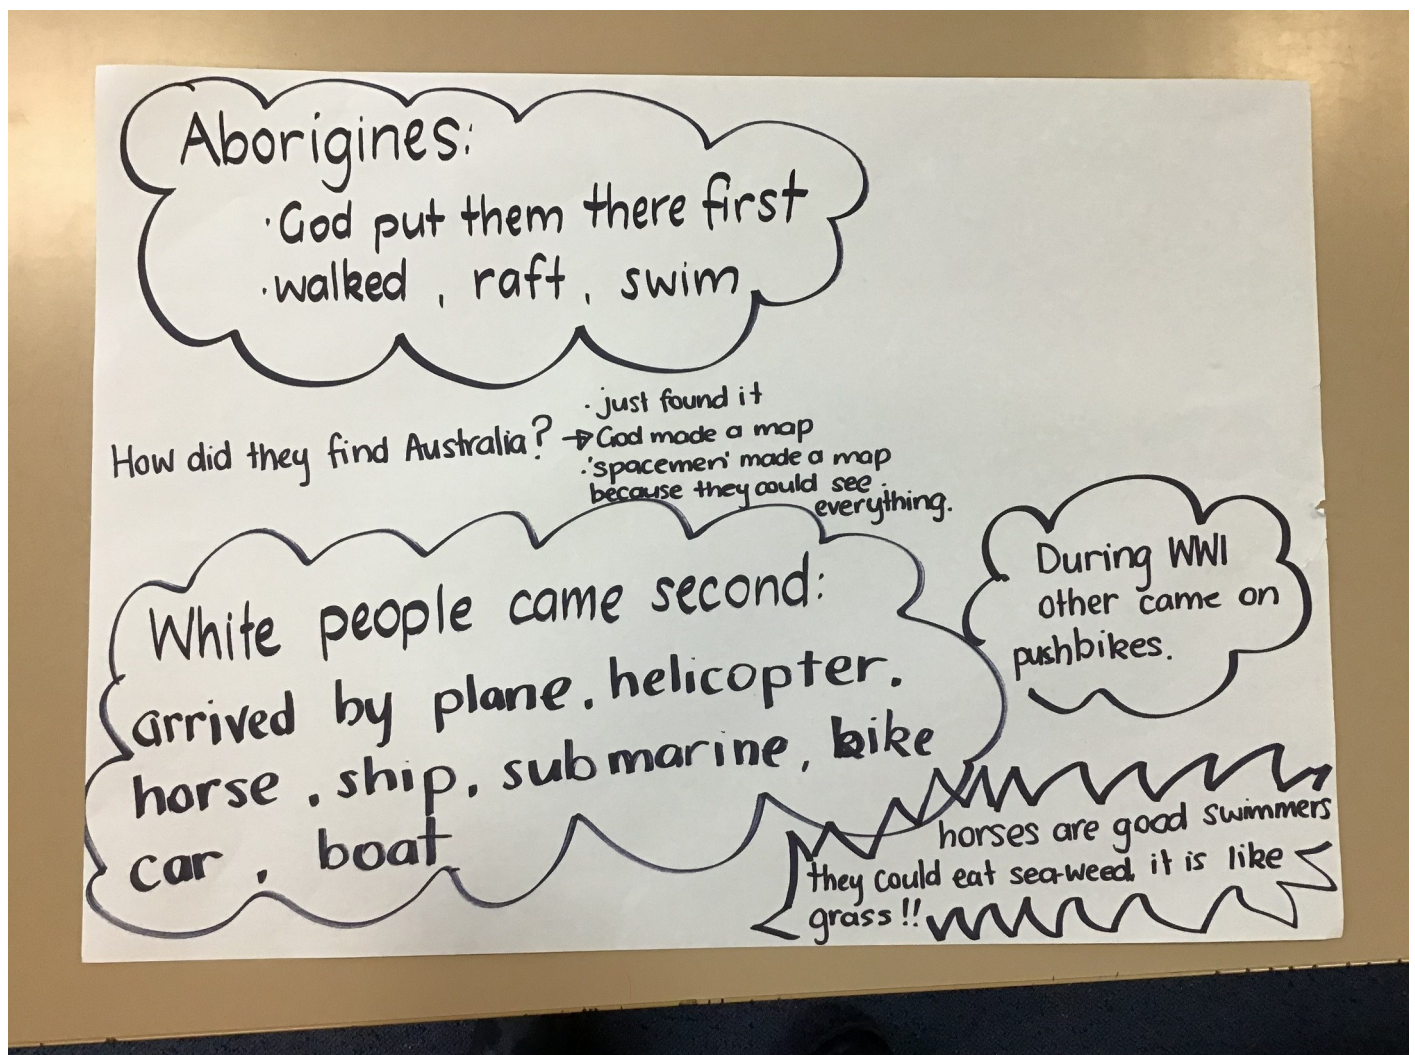

# SPOTLIGHT ON

## K-3

Year 2 / 3 have started learning about Australia

I asked the class what do they know about the people of Australia.

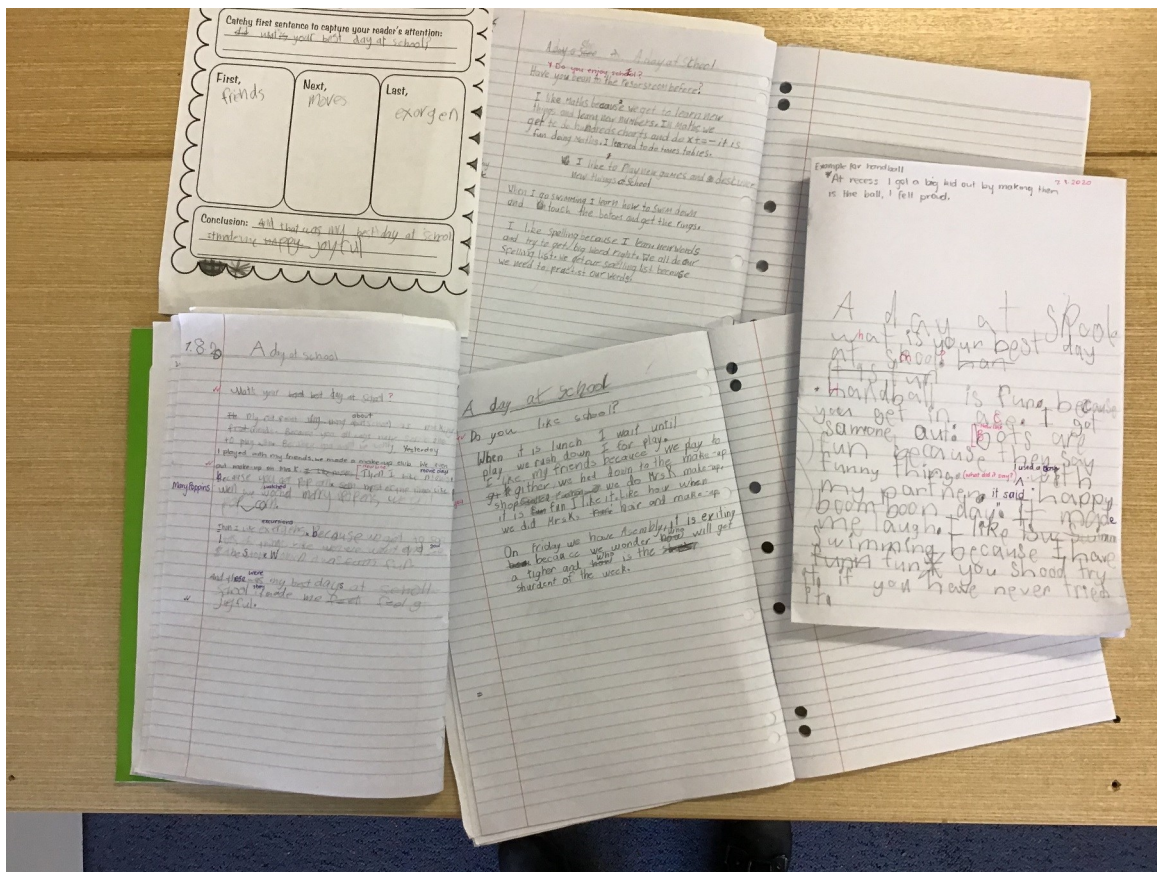

These are their ideas... thought you might like to see how the mind of a child works.

Can you image people arriving by bike!!!

I was interested about how they got maps.

We have been looking at stories from our perspective and then learning how to write a narrative. Mrs K's class have been power writers in developing their stories. They started with a plan, which they have then expanded in their writing. Some students are starting to understand how paragraphs are used to share new ideas. Looking forward to sharing our end result.

Congratulations to our 2020 Education Week award recipients. All very worthy of the accolades they received.
