PBL Award recipients

**Student of the Week and
PBL Bear recipients**

Principal's Report

Welcome back for Term 4. It was great to see the smiles on the students faces as they returned to school last week. Teachers are looking forward to a great term of learning with some fun activities thrown in!!!

COVID Procedures

We have started the term on the same level of operations as the end of last term. We ask for your continued cooperation in abiding by the guidelines when visiting the school (e.g QR code check in, mask wearing and ringing the bell at the front gate).

To ensure the safety of our students' staff will be wearing masks indoors and outdoors. Hand sanitising and enhanced cleaning will continue throughout the day. Students that become unwell during the day will be sent home.

It is essential that we have the most up to date contact details for parents/carers. Please contact the office if your details have changed recently.

School photos

School photos were planned to be taken next week, however due to the current situation we have had to postpone. It is hoped that MSP Photography will be able to visit us later in the term to take these very important point in time photos. If not, we are working on a contingency plan.

Kinder transition

We are looking to start our Kinder transition program in the coming weeks. Once the program is finalised we will communicate this to the pre-school and interested families. If you have a child, you wish to enrol at Tingha Public School for Kindergarten in 2022 please contact the office.

Year 6 to 7 High School Transition

The high schools are currently planning their transition sessions for this term. Once we have confirmation of the dates notes will be sent home.

Attendance

At Tingha Public School we are committed to positively influencing every student's life. Regular attendance at school and displaying the school's Positive Behaviour for Learning values (Proud, Strong, Safe and Respectful) will allow students to make educational gains and contribute to our 'successful school culture'. Please be aware that attendance is monitored daily and the school requires a legitimate reason for your child/children's absence. Please contact the school or reply to the text if your child is away.

School Self-Evaluation

Parents and caregivers play a very important role in the education of their children. In the coming weeks I will be asking for school community feedback in relation to as part of our school's self-evaluation processes. This will assist in the planning for next year. Please look out for the flyer that will come home shortly.

I look forward to a great fortnight!

Melinda Partridge

Principal
