Principal's Report

Culture of Success

Tingha Public School is committed to a 'school culture of success'. To support the systems and processes required we are applying five week cycles to bring greater impact. The upcoming holidays means we are fast approaching the end of another five week campaign to improve individual students learning capabilities. Teachers have been continuing to make learning visible for students through the use of learning intentions, success criteria's, learner dispositions and the learning pit. The pit describes for students the steps and feelings felt through the learning process. It has been extremely pleasing to visit the classrooms to witness 'learning in action' and have students visit me to celebrate their successes with their learning.

NAPLAN Online Practise

This week Years 3 and 5 will participate in a practise NAPLAN Online test. This is not aimed to cause stress for the students but just to familiarise them students with how the test will be administered next term.

25'ers

I look forward to recognising our attendance '25ers' at the end of this week. By regularly attending school and displaying the school's values for Positive Behaviours for Learning (Proud, Strong, Safe and Respectful) students will gain educational success and contribute to our 'school culture of success'.

End of the term

It is hard to believe that this is the last week for Term 1. As the saying goes 'time flies when you are having fun'. This is exactly how it has been at Tingha Public School. I would like to thank all the staff and students for their commitment to learning this term. I would also like to thank all the parents, caregivers and community members who continue to support the endeavours of the school. As I say 'it takes a community to raise a child' and we all need to be in it together.

I wish everyone a lovely Easter break and hope the Easter Bunny finds all students. We look forward to welcoming all the students back on Tuesday 20th April.

SPOTLIGHT ON 4/5/6

Year 4/5/6, once again, have been very busy with the learning.

Here we can see the children exploring the parts of a cow that are used in the manufacturing process, all except the 'moo'.

Here are some of the children dressed in orange for Harmony Day. They are completing a harmony Day activity in theme with 'everyone belongs'.

When the children come in after a break they have some mindfulness time. During this time they read a chapter book of their choice. They really enjoy this.

Below we can see the children using atlases as part of their geography lesson. Here they were discovering interesting places, as well as, facts about Australia.

The children work in mathematical groups everyday. They rotate to three different work stations to experience a range of mathematical concepts.

Dawnie stopped by and helped the students with some abstract painting. As you can see the children use a variety of medium and skills to create a range of quality artworks.

Aren't these bunnies so cute. On that note have a happy and safe Easter from all of us in Year 4/5/6.

Canteen News

Thank you to the families that are supporting the Canteen by ordering lunches every week. If you are interested in volunteering one day a month (depending on numbers), please phone and speak with Mrs Partridge. A Volunteers Working with Children Check is required, this is a free check. If you need help obtaining one please let us know we may be able to help. Attached to the newsletter is a lunch bag. If your child is ordering recess please write it separate to the lunch order on the bag for easy identification. Your cooperation in filling these bags out for your child/children before they attend the Canteen is appreciated. If you do not have the exact money for the order, any change can be added to the Canteen book beside your child's name to be used at a later date.

A reminder that a **NO BOOKING UP** policy is in place for all.
