Principal's Report

Congratulations Malika

A huge congratulations to Malika who was selected in the North West Girls PSSA Basketball Team on Friday. We are so excited about this selection!!!! Malika will represent our school and region at the State Championships next term. This selection highlights that our students can match it with students from other schools including larger ones when they are willing to step out of their comfort zone.

Year 6 Leaders Badge Ceremony

Our leader's induction assembly was held last Tuesday 23rd February. It was heartening to see our Year 6 leaders formally accept their positions with pride. We look forward to watching the leadership qualities of these students grow over the remainder of the year.

Attendance

Our school has a very strong focus on student attendance. It has been proven that regular school attendance has a positive impact on student achievement and social outcomes. It is for this reason all students are encouraged to attend school on time every day that it is operational. Students that attend 25 days in a row are known as 25'ers. This Thursday, I will recognise students who have achieved this status. I am aware that at times, students need to be away due to sickness, medical appointments or family business. For this reason, students who have attended over 95% of the time this term will also be recognised.

Regional Swimming

Today Tytrell, Malika, Kiarra and Ahkeila are competing at the Regional Swimming Carnival in Armidale. These four students are swimming in the Peter Dobson Small School Relay. Malika will also swim in her 50m freestyle age race and senior girls backstroke. We look forward to hearing how they swam when they return.

Zone Soccer Trials

Selected students will participate in the Zone Soccer Trials this Friday. Please ensure permission notes are returned.

School Planning

We are currently working through the developmental process for our 2021-2024 School Improvement Plan. This plan will identify measures, activities and initiatives to enhance student reading and numeracy skills and knowledge, whilst continuing to support student engagement and connection with school. Teacher assessment and feedback practices will be identified to support student achievement across the entire school setting. As the strategic directions are further refined, feedback will once again be sought from the school community to ensure the directions meet the needs of our context.

Canteen

A huge thank you to Sharnee for volunteering in the canteen last Wednesday. Ordering lunch and recess was certainly a highlight for the students. The canteen will once again be operational this week. Organising the lunch order and necessary money the night before will make the process easier. We have attached lunch order bags to this newsletter to assist with this process.

I look forward to another fabulous fortnight of learning at Tingha Public School.

Melinda Partridge
Principal

Furniture for sale

We still have a few items for sale mainly student tables. If you would like to purchase any, please contact the school on 67 233 437 to arrange a time.

SPOTLIGHT ON 4/5/6

A snapshot of the Year 4/5/6 children engaging in some of their learning activities in the morning session of learning..

During the week all the students give news to the class. They have learned to use a clear voice, eye contact and body language to engage the audience.

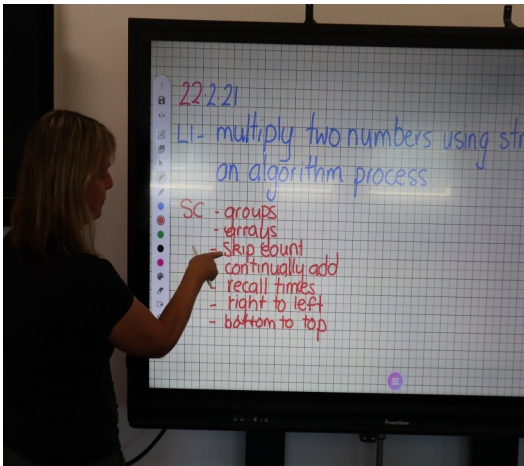

As you can see the students work in small groups. They work independently but are also guided and encouraged by staff to support success and progress with their learning The students eagerly stopped for a quick photo.

The use of technology, every day, is another way the students engage and consolidate with their learning.

Everyday the students enjoy having a brain break from their learning by participating in either a game of handball, soccer or some relaxing yoga.

Badge Ceremony

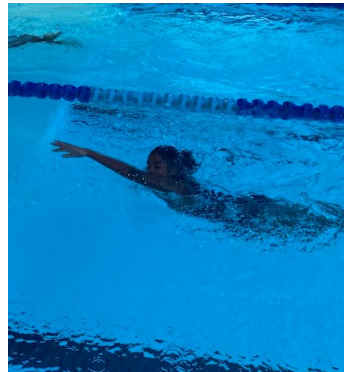

Last Tuesday 23rd February we held our Badge Ceremony for our Leaders and SRC. It was great to have the parents/carers of these students present to pin the badges on their children.

Zone Swimming Carnival

On Friday 19th February students whose times made the cut off at the Small Schools Swimming Carnival, competed at the Zone Swimming Carnival in Inverell. We were lucky enough to have our relay team of Kiarra, Malika, Ahkeila and Tytrell finish first in the Peter Dobson Small School Relay to advance to the Regional Swimming Carnival along with Malika who advanced for 50M freestyle and 50M backstroke in her age group.

Canteen News

Thank you to all who supported the Canteen on its reopening last week. A huge thank you to Sharnee for volunteering again this week. We hope to have a roster out in the next few weeks, for those who have expressed an interest in volunteering. Attached to the newsletter are 2 lunch bags for the next 2 Canteen days. Your cooperation in filling these bags out for your child/children before they attend the Canteen is appreciated. If you do not have the exact money for the order, any change can be added to the Canteen book beside your child's name to be used at a later date.

A reminder that a NO BOOKING UP policy is in place.
