5/10 - Staff and students return for Term 4

Visitors to the school

All visitors to the school must present to the front office and follow the protocols displayed including scanning QR Code. This process will continue until further notice.

Principal's Report

Woohooo!!!! Welcome back!!!!!!

It was fabulous to greet the students back to school today, as we progressed to Level 3 conditions and returned for face to face learning.

I would really like to thank all our parents and carers for your support with home learning and stay-at-home restrictions over the last four weeks. I know this time was challenging for everyone, but it is heartening to know our school community is committed to supporting and abiding by the guidelines placed upon us.

As part of Level 3 conditions the school will be implementing several processes to ensure the safety and health of our students and staff. These include:

- * staff wearing masks (indoors and outdoors)
- * enhanced cleaning throughout the day
- * physical distancing
- * hand sanitising throughout the day
- * non-essential visitors (including parents and carers) are not permitted on site
- * no bubblers (students need their own water bottles)
- * QR code check in for all staff and visitors
- * students and staff who are unwell are to stay at home. If a student becomes unwell during the day, their parents will be contacted to collect them from school.
- * the front gate will remain closed throughout the day. Please ring the bell, located at the gate, if you wish to speak with a staff member.

If you have any questions or queries, please do not hesitate to contact the school on 67233437.

As a school we look forward to reconnecting with each student this week before we start holidays on Friday.

Melinda Partridge
Principal
