Principal's Report

Student reports and parent/ teacher interviews

Student reports were issued today as part of parent teacher interviews. These interviews are a great opportunity to discuss your child's progress with their class teacher. If you were unable to attend the interviews, your child's report will be posted in the mail.

Athletics

This week students will have the opportunity to practise the variety of athletics field events in preparation for the Sapphire Small Schools Athletics Carnival early next term. This will include high jump with the finals for this event taking place this Wednesday in the middle session.

The Sapphire Small Schools Athletics Carnival will be held early next term at the new athletics precinct at the Inverell Sporting Complex. Permission notes will be sent home in the first week of next term.

NAIDOC Week

Tingha Public School will recognise NAIDOC Week next term when the weather warms up. It is hoped that the Sapphire Small Schools will join us to celebrate this very important week.

Small Schools Gala Day

What a fabulous day we had last Friday for the Small Schools Sports Gala Day!!! We shared this day with Gum Flat, Gilgai, Delungra and Bonshaw Public Schools. The students participated in rugby league, cricket, hockey and golf activities. We want to thank all the development officers and their support teams for helping to make this day such a success.

Teacher Industrial Action this Thursday

The NSW Teachers Federation has directed its membership to take industrial action in the form of a 24 hour strike on Thursday 30 June 2022. As a result of this strike, our school will be operating on very minimal teacher supervision.

It is hard to believe that this is the last week for Term 2. I would like to thank all the staff and students for their commitment to learning this term. I would also like to thank all the parents, caregivers and community members who continue to support the endeavors of the school. As I say "it takes a community to raise a child" and we all need to be in it together.

I would like to wish everyone a lovely winter break and I look forward to welcoming all students back on Tuesday 19th July.

SPOTLIGHT ON

2/3

2/3 have been busy becoming 'town planners'. They have

combined their collaborative skills, with their imagination, to create not one but two town and city models. They explored mapping and geometry skills to draw a birds eyeview of their town and to make buildings and roadways for their city and town.

2/3 created amazing artworks of rockets blasting into space.
