Principal's Report

It was heart-warming to welcome the students back last Wednesday for another fun filled term.

ANZAC Day

ANZAC Day was commemorated during the holidays. This is an extremely important national day that recognises the significant sacrifice made others to protect our country to allow us to live the life we do today. I was extremely proud of the fourteen students who represented our school with pride in the town march. Special mention to Tshani who confidently delivered a poem as part of the day service. The positive feedback we have received from the Tingha community about our student's respectful behaviour was extremely pleasing.

Badge Ceremony

Last Friday it was lovely to present our school captains with their badges. It was also wonderful to welcome the student's family members onto school site to assist with the presentation process. These students have already demonstrated their strong leadership skills and we look forward to developing these further throughout the year.

Industrial Action

This Wednesday, the NSW Teacher's Federation has requested all members participate in Industrial Action as part of the More Than Thanks campaign. Our school will remain operational but with very minimal supervision.

Small Schools Sport and Cross Country

This term the Sapphire Small Schools (Delungra, Gilgai, Gum Flat, Bonshaw and Tingha Public Schools) are combining for a number of sporting events. This partnership will be advantageous for our students. It gives them the opportunity to regularly socialise with students from the other schools and building friendships. For the older students it increases the competition level and better prepares students for zone and regional sporting carnivals, should they qualify.

This Thursday, we will be hosting the Small Schools Cross Country. The easing of COVID guidelines means families will be able to attend and cheer on their children. Please keep an eye out on our Facebook page and for notes in your child's bag for further information.

NAPLAN Testing

Next week students in Years 3 and 5 will take part in NAPLAN testing. These tests should not add extra stress to students. Their intention is to provide the school will valuable progress data on our students whilst identifying areas for further focus. If you have any questions or queries about these tests, please contact the school.

As always, I look forward to another great fortnight at Tingha Public School witnessing students becoming 'strong' and 'respectful' in all aspects of their learning.

SPOTLIGHT ON

2/3

Last term we made Hot Cross buns from scratch. The process we followed was 1. We mixed the flour. 2. We kneaded the dough then let the dough sit and rise. Gerald was totally surprised as to how much the dough rose. We then divided the dough into small buns and let them rest again. Added the crosses and then cooked them. Once they were cooked we then ate them warm and smothered with butter. Nathan thought they were 'perfetto'.

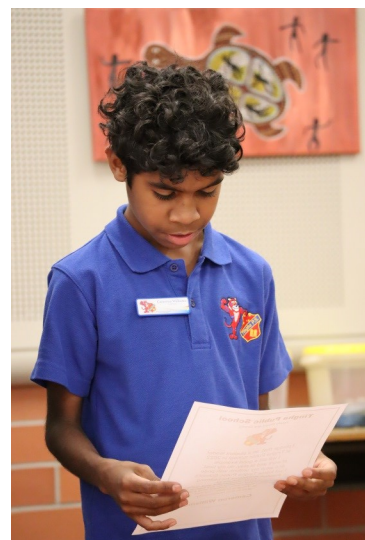

Last term we read the book 'The Three Pigs' and then drew and painted our own illustrations to match the story. To draw the pigs we followed instructions to make them look amazing.

Badge Ceremony

Last Friday we held our Badge Ceremony for our 2022 leaders. Congratulations to Cameron, Lucinda and Jevaree. We know you will wear your badges with pride.

It was lovely having our parents and family members join us on the day.
