## Principal's Report

### Culture of Success

At Tingha Public School we pride ourselves on working with the community to provide a quality education for our students. We are committed to positively influencing every student's life. Regular attendance and displaying the school's Positive Behaviour for Learning values (Proud, Strong, Safe and Respectful) allows students to make educational gains and contribute to our "successful school culture". We love sharing the great news that is happening in our beautiful school and appreciate those that celebrate the successes with us. We are well aware that we need to work with our community to support our students as 'it takes a village to raise a child.' Please if there are any school related concerns you wish to discuss please know my door is always open.

### High expectations for learning

Every day high expectations are set for student achievement. Our school aims to provide all students with a nurturing and inclusive learning environment which allows student to achieve their potential. I have loved having students visit me to discuss their learning progress. We have recently introduced the students to the 'learning pit'. This pit is a visual representation of the learning process. A copy of the 'pit' has been included to support your discussions with you child/children about their learning progress.

### SASS Recognition Week

Last week we celebrated SASS Recognition Week. This week aims to recognise the contribution office, school learning support officers and general assistants make to the learning outcomes of students and the running of schools. I wish to thank Mrs T, Alison, Dawnie P, Dawn Mac, Preston, Sarah, Renata, Ella and Peter for their continued commitment to the students of Tingha Public School.

I hope all the fathers and grandfathers enjoyed their Father's Day and the gifts purchased from the Father's Day stall.

I am looking forward to another wonderful fortnight at Tingha Public School, with students growing stronger and smarter in their learning every day.

Melinda Partridge  
Principal

## Canteen

Tingha Public School is very fortunate to have a canteen that is operational everyday. This is due to the hard work of the P&C, Petta, a few parents and community members. Our need for canteen assistance is ongoing. We really appreciate the efforts of these volunteers, however if you can assist with the canteen please contact the school on 67 233 437.

If we do not get additional assistance the canteens days may be reduced.

## P&C News

At our last P&C Meeting we made a date for our Biannual Fete this will occur on Friday 30th November from 5pm until 7pm. If you are interested in helping out or holding a stall of your own please call Alison at the School on 67 233 437.

We welcome Parents and Caregivers to come along and be a part of the P&C . We have plenty of great fundraising ideas that need support in organising.

## Canteen News

We are always looking for helpers in the Canteen. If you are willing to help out for an hour or two, please call and see Petta in the Canteen. If there are no helpers to volunteer there may be days when the canteen will be forced to close due to illness or other commitments.

### **SAVE THE DATE**

Tingha Public School P&C are holding our Biannual Fete on Friday 30th November from 5pm til 7pm.  
More information to follow at a later date.
